Dear Mr. Vanuga,

On behalf of Cattaraugus County we wanted to thank you and your team for your services in assisting with our claim. There is no doubt we have benefitted from your hard work and expertise in this matter. In the unfortunate event of a similar loss we would not hesitate to retain your services again.

I have enclosed payment for your services to date. We look forward to finalizing the remainder of our claim with your team in the near future.

Thank you.

Sincerely,
