Dear Richard:

On behalf of Chantee Lewis, President Mountain Green Homeowners Association, Mountain Green Rental Company, and Aangelo's Restaurant, I would like to state that without you and your staff's professionalism, energy, and tenacity we would have never been able to either afford nor been able to open our complete facility for business by Christmas of 2000.

The amount of time that you personally spent with me working on our account was greatly appreciated and I actually now find my day to day business rather dull as compared to working with you on our project.

If in the future we can be of any assistance to you in securing future clients don't hesitate to call on us.

Sincerely on behalf of everyone at Mountain Green Ski & Golf Resort,

Robert T. McGrath
