Dear Ron & Richard:

I am writing to thank you for all your efforts on behalf of Faster-Form as a result of the recent fire that struck our facilities.

Time and again, you had the solution, tough negotiating point or quick response necessary to keep our insurance claim on track with the insurance adjusters. Through your efforts, a complex building, contents and business interruption claim was brought to a quick and satisfactory conclusion. The services you provided added value and were deserving of the fees.

I would be happy to recommend your services to other clients.

Sincerely,

John C. Waszkiewicz, III
President
