Dear Friends,

John Militello from your firm represented us for a claim we had for water damage to inventory and building. I just would like the opportunity to commend him for a most efficient job done.

His fine character and honesty was most apparent. From the first time I called him I knew he was more than qualified to handle our claim which was substantial. I was most comforted to have him at our store when inventory was taken for salvage. He watched every detail at that time.

Thanks to John for handling our claim with such a personal interest.

Sincerely yours,

Albert Lovenheim
