Dear Richard:

Enclosed please find a check representing the fee on the insurance settlement to date. I have dated the check for March 1st since it takes us a month to procure endorsements from the Canadian firms listed on the check. Should we receive the funds before March 1st, I will call your office so that the check may be deposited.

Let me take this opportunity as well to thank your firm collectively and you individually for the outstanding and meticulous job you did handling this claim. I am sure that the settlement would not have been as easily obtained had it not been for your efforts. I have already put in a recommendation for you to your father-in-law.

Hopefully we will have no more fires or disasters, but should they occur we will not hesitate to call.

Sincerely yours,

William C. Morris II
