Dear Darin,

On behalf of Carr Hardware & Supply Company, Thank you. Thank you for your diligence, you made an otherwise frustrating and disappointing experience, a much more pleasant one. Thank you for pursuing opportunities we never would have considered. Thank you for exceeding our expectations in terms of service and follow up. Most of all, thank you for maximizing our return, you and your team left nothing on the table. Feel free to use Carr as a reference in the future. We are extremely pleased.

Thank you
