Dear Richard and Associates,

We at Symeon's Restaurant would like to thank all of you for a job well done. It was comforting to know that you and your staff looked after every detail of our claim. I was amazed at the expeditious handling of our claim as well as your negotiating ability with the insurance company. We were truly blessed to have you and your staff there to oversee the settling of our claim.

They say that the average person will experience a fire once in their lifetime, I am glad my one time is over and I am equally as glad that you were there to assist us during such a difficult time.

I will be sure to recommend Basloe, Levin & Cuccaro / Adjusters International to anyone in need of your services.

Sincerely,

Symeon A. Tsoupelis
