Dear Mr. Raab,

On behalf of the Board of Governors and myself, I would like to thank Adjusters International and their associates for all your help and consideration concerning the fire we experienced at the Yahnundasis Golf Club on December 20, 2009.

Your professionalism and timely manner in which you settled our claim was unforgettable. The ease of negotiations in the settlement and handling of our losses was unexpected and greatly appreciated.

We would highly recommend you and services to anyone that may require such.

Sincerely,

Mark Jorgensen
