Adjusters International

Utica, NY 13502

To Whom it may concern:

I would like to express my appreciation to Adjusters International, especially Darin Checchia, for handling our claim in a very professional and timely fashion. Darin took the time to go over our policy and coverages. He was there every step of the way to answer questions and guide us through the process of filling the claim, submitting the documentation and inspection of the damage. Not only the physical losses to the building, but also the loss of business the resulted from the fire.

We feel that we received fair settlement in a timely fashion. It allows us to make repairs and continue serving our members/guests. While embracing Polish heritage and traditions, we can continue filling up the tummies with authentic polish cuisines.

Sincerely,

Artur Pyrda, president
